

Reading Guide #9: Mark Kennedy

A Quick Primer in Values

1. Tones can be used to _____ a drawing and make things clear that would be a _____ in a line drawing without tone.
2. Never forget that the eye will always be attracted to the _____ in any picture. If black is anywhere against white in your picture, that's where the eye will be drawn.
3. Even in the simplest of sketches, tones can be helpful for putting _____ where you want the viewer to look.
4. Different tones can make a difference in the _____ of a drawing.
5. Follow reality when it helps you and _____ it when it hurts you. . . the viewer tends to be pretty forgiving,
